SUBJECTS • SUJETS

Adolescence

Utilization of the Bay Area Functional Performance Evaluation with an adolescent psychiatric population. Wener-Altman, P., Wolfe, A., Staley, D. 58(3):129-136.

Anthropology

Explanatory models in brain injury rehabilitation: An aid to communication with family caregivers. Krefting,L. 58(1):26-32.

Assessment process, occupational therapy

Utilization of the Bay Area Functional Performance Evaluation with an adolescent psychiatric population. Wener-Altman, P., Wolfe, A., Staley, D. 58(3):129-136.

Visual perception and visual motor performance in children with psychiatric disorders. Daniels, L., Ryley, C. 58(3):137-141.

Post-occupancy evaluation: An environment-behaviour technique for assessing the built environment. Cooper, B.A., Ahrentzen, S., Risteen Hasselkus, B. 58(4): 181-188.

Child abuse

Occupational therapy in the treatment of individuals with multiple personality disorder. Oke, S., Kanigsberg, E. 58(5): 234-240.

Child behaviour disorders

Visual perception and visual motor performance in children with psychiatric disorders. Daniels, L., Ryley, C. 58(3):137-141.

Client-centred practice, occupational therapy

The environment: A focus for occupational therapy. Law, M. 58(4):171-180.

National Perspective-Multiculturalism and occupational therapy: Sharing the challenge. Dyck, I. 58(5):224-228.

Clinical ladder

Retention strategy: A clinical ladder for occupational therapists. Gage, M. 58(5):250-253.

Communication (mechanics)

Explanatory models in brain injury rehabilitation: An aid to communication with family caregivers. Krefting,L. 58(1):26-32.

Community occupational therapy

The Canadian model of occupational performance: Its relevance to community practice. Banks, S. 58(3):109-113.

Construction de test

Revue et analyse d'instruments de mesure de la performance de la main et du membre supérieur. Desrosiers, J., Dutil, E., Hébert, R. 58(2):67-76.

Consumer participation

The participation of mental health consumers in health care issues. Woodside,H. 58(1):3-6.

Consumer mental health services

The participation of mental health consumers in health care issues. Woodside,H. 58(1):3-6.

Consumer satisfaction

The effects of splinting on the spastic hemiplegic hand: Report of a feasibility study. Langlois,S., Pederson,S., MacKinnon,J.R. 58(1):17-25.

Culture(anthropology)

National Perspective-Multiculturalism and occupational therapy: Sharing the challenge. Dyck, I. 58(5):224-228.

Data collection

Post-occupancy evaluation: An environment-behaviour technique for assessing the built environment. Cooper, B.A., Ahrentzen, S., Risteen Hasselkus, B. 58(4): 181-188.

Delivery of health care

National Perspective-Multiculturalism and occupational therapy: Sharing the challenge. Dyck, I. 58(5):224-228.

Dementia, senile

Reality orientation thirty years later: Are we still confused? Bowlby, M.C. 58(3):114-122.

Developmental therapy

Occupational therapy in the treatment of individuals with multiple personality disorder. Oke, S., Kanigsberg, E. 58(5): 234-240.

Documentation

Managing paperwork: Problem solving for job satisfaction. Fearing,V. 58(2):55-59.

Environmental design(social policy)

The environment: A focus for occupational therapy. Law, M. 58(4):171-180.

Environment, physical

The environment: A focus for occupational therapy. Law, M. 58(4):171-180.

Post-occupancy evaluation: An environment-behaviour technique for assessing the built environment. Cooper, B.A., Ahrentzen, S., Risteen Hasselkus, B. 58(4): 181-188.

Evaluation des habilités motrices(membre superieur)

Revue et analyse d'instruments de mesure de la performance de la main et du membre supérieur. Desrosiers, J., Dutil, E., Hébert, R. 58(2):67-76.

Faculty, occupational therapy

Faculty recruitment: Where are the applicants? Posthuma, B., Noh, S. 58(4):189-195.

Faculty recruitment

Faculty recruitment: Where are the applicants? Posthuma, B., Noh, S. 58(4):189-195.

Fieldwork education, occupational therapy

The split placement model for fieldwork placements. Gaiptman, B., Forma, L. 58(2):85-88.

Fonction de la main et évaluation

Revue et analyse d'instruments de mesure de la performance de la main et du membre supérieur. Desrosiers, J., Dutil, E., Hébert, R. 58(2):67-76.

Forecasting

A vision for occupational therapy: Tradition meets the future. Gill,T. 58(1):33-35.

Geriatric occupational therapy

Occupational performance of activities of daily living among elderly canadians in the community. McKinnon, A. 58(2):60-66.

Hand function and skills evaluation

Revue et analyse d'instruments de mesure de la performance de la main et du membre supérieur. Desrosiers, J., Dutil, E., Hébert, R. 58(2):67-76.

The reliability and validity of a revised version of the Erhardt Developmental Prehension Assessment. Pollock, N., Law, M., Jones, L. 58(2):77-84.

Hand splints

The effects of splinting on the spastic hemiplegic hand: Report of a feasibility study. Langlois,S., Pederson,S., MacKinnon,J.R. 58(1):17-25.

Hearing disorders

A sensory integrative approach for children with hearing impairment: A case study. Schaffer-Pullan, A., Polatajko, H., Sansom, L. 58(4):196-200.

Homes for the aged

Mealtimes of the institutionalized elderly: A quality of life issue. Ott, F., Readman, T., Backman,C. 58(1):7-16.

Independant living skills(human activities)

Mealtimes of the institutionalized elderly: A quality of life issue. Ott, F., Readman, T., Backman,C. 58(1):7-16.

Intervention process, occupational therapy

Reality orientation thirty years later: Are we still confused? Bowlby, M.C. 58(3):114-122.

Job satisfaction

Managing paperwork: Problem solving for job satisfaction. Fearing,V. 58(2):55-59.

Manpower, occupational therapy

Faculty recruitment: Where are the applicants? Posthuma, B., Noh, S. 58(4):189-195.

Retention strategy: A clinical ladder for occupational therapists. Gage, M. 58(5):250-253.

Modalities, occupational therapy

Evaluation of social skills: A survey of current practice. Doble, S., Bonnell, J., Magill-Evans,J. 58(5): 241-249.

Models, occupational therapy

The Canadian model of occupational performance: Its relevance to community practice. Banks, S. 58(3):109-113.

Motor skills evaluation(upper limb)

Revue et analyse d'instruments de mesure de la performance de la main et du membre supérieur. Desrosiers, J., Dutil, E., Hébert, R. 58(2):67-76.

The reliability and validity of the Erhardt Developmental Prehension Assessment. Pollock, N., Law, M., Jones, L. 58(2):77-84.

Multiple personality disorder

Occupational therapy in the treatment of individuals with multiple personality disorder. Oke, S., Kanigsberg, E. 58(5): 234-240.

Occupational therapy in psychiatry

The community work project: An occupational therapy programme. Vanier, C., Rivard, R. 58(3):123-128.

Occupational therapy in the treatment of individuals with multiple personality disorder. Oke, S., Kanigsberg, E. 58(5): 234-240.

Occupational therapy, profession of

The environment: A focus for occupational therapy. Law, M. 58(4):171-180.

Orientation(psychology)

Reality orientation thirty years later: Are we still confused? Bowlby, M.C. 58(3):114-122.

Paediatric occupational therapy

A sensory integrative approach for children with hearing impairment: A case study. Schaffer-Pullan, A., Polatajko, H., Sansom, L. 58(4):196-200.

Patient compliance

The effects of splinting on the spastic hemiplegic hand: Report of a feasibility study. Langlois,S., Pederson,S., MacKinnon,J.R. 58(1):17-25.

Peer review

Peer review and journal publication. Weiss-Lambrou, R. 58(4):167-170.

Personnel retention

Retention strategy: A clinical ladder for occupational therapists. Gage, M. 58(5):250-253.

Presidential address
Taking the initiative. McGarry, J. 58(4):161-166.

Problem solving
Managing paperwork: Problem solving for job satisfaction. Fearing,V. 58(2):55-59.

Professional issues
Taking the initiative. McGarry, J. 58(4):161-166.

Professional practice
A vision for occupational therapy: Tradition meets the future. Gill,T. 58(1):33-35.

The canadian model of occupational performance: Its relevance to community practice. Banks, S. 58(3):109-113.

Psychometrics
Utilization of the Bay Area Functional Performance Evaluation with an adolescent psychiatric population. Wener-Altman, P., Wolfe, A., Staley, D. 58(3):129-136.

Psychomotor performance
Visual perception and visual motor performance in children with psychiatric disorders. Daniels, L., Ryley, C. 58(3):137-141.

Quality of life
Mealtimes of the institutionalized elderly: A quality of life issue. Ott, F., Readman, T., Backman,C. 58(1):7-16.

Rehabilitation, vocational
The community work project: An occupational therapy programme. Vanier, C., Rivard, R. 58(3):123-128.

Rédaction pour fins de publication
Les processus de révision par des pairs et de publication. Weiss Lambrou, R. 58(5):229-233.

Révision par des pairs
Les processus de révision par des pairs et de publication. Weiss Lambrou, R. 58(5):229-233.

Role expectation
Occupational performance of activities of daily living among elderly canadians in the community. McKinnon, A. 58(2):60-66.

Sensory integrative approach
A sensory integrative approach for children with hearing impairment: A case study. Schaffer-Pullan, A., Polatajko, H., Sansom, L. 58(4):196-200.

Skills assessment
Evaluation of social skills: A survey of current practice. Doble, S., Bonnell, J., Magill-Evans,J. 58(5): 241-249.

Social behaviour
Evaluation of social skills: A survey of current practice. Doble, S., Bonnell, J., Magill-Evans,J. 58(5): 241-249.

Support system
Occupational performance of activities of daily living among elderly canadians in the community. McKinnon, A. 58(2):60-66.

Teaching methods, fieldwork
The split placement model for fieldwork placements. Gaiptman, B., Forma, L. 58(2):85-88.

Technology
A vision for occupational therapy: Tradition meets the future. Gill,T. 58(1):33-35.

Test construction
Revue et analyse d'instruments de mesure de la performance de la main et du membre supérieur. Desrosiers, J., Dutil, E., Hébert, R. 58(2):67-76.

The reliability and validity of the Erhardt Developmental Prehension Assessment. Pollock, N., Law, M., Jones, L. 58(2):77-84.

Tests by name, BaFPE
Utilization of the Bay Area Functional Performance Evaluation with an adolescent psychiatric population. Wener-Altman, P., Wolfe, A., Staley, D. 58(3):129-136.

Traumatic brain injury
Explanatory models in brain injury rehabilitation: An aid to communication with family caregivers. Krefting,L. 58(1):26-32.

Trends, occupational therapy
A vision for occupational therapy: Tradition meets the future. Gill,T. 58(1):33-35.

Visual perception
Visual perception and visual motor performance in children with psychiatric disorders. Daniels, L., Ryley, C. 58(3):137-141.

Work-related occupational therapy
The community work project: An occupational therapy work programme. Vanier, C., Rivard, R. 58(3):123-128.

Writing for publication
Peer review and journal publication. Weiss-Lambrou, R. 58(4):167-170.
